Who Are You?

Acts 19:15

*I am fearfully and wonderfully made.*

Lessons learned:

1. Victory is not as simple as it looks from the outside.
2. More numbers doesn't necessary means more power.
3. One day evil will answer those who pretend.
4. The Devil knows who you are.
5. You cannot use the name of Jesus if you are not convinced of His power.
